4. Name the variable as shown in the below image to ALTAIR_LICENSE_PATH

Edit System Variable		×			
Variable name:	ALTAIR_LICENSE_PATH				
Variable value:	C:\Users\rahulp\AppData\Local\.altair_licensing\BLP555\licenses				
Browse Directory.	Browse File	OK Cancel			

The value can be the license path from the Almutil GUI activation window.

Kindly navigate to System (C:) > Program Files > Altair > 2023 > security > bin > win64 > gui. Locate and double-click on almutil_gui.exe. Click on almutil_gui.exe to open the Altair License Utility box and copy the license path highlighted in the image below.

Click "OK" to save this variable.
